--- SERIES "A" - 1928 - scanned at 200% scale ---

--- 24 mm. imprint [BRITISH AMERICAN BANK NOTE CO. L^{TD}. OTTAWA, CANADA.] ---

--- NT-143 - **14** manuscript mimeograph on NT-140 - the green, coarse roulette ---

Undated, these two examples are mimeographed in black ink with a manuscript 5 mm. plain killer Gothic **14** over the old denominations, plus a 3 mm. pica **CANCELLED** across the center. The first, **NT-143**, is an upright mimeo, while the second **NT-143a** is inverted. They were probably produced to reduced the size of the fifteen cigarette pack, as a wartime Newfoundland Budget increased the excise tax on tobacco in an effort to maintain an unchanged 5¢ price level on the pack.

NT-143 - 14 on 10 cigarettes ["Series A - 1928"], green, coarse roulette, with a mimeo pica 3 mm. **CANCELLED**, and a manuscript mimeographed overprint

NT-143a - 14 on 10 cigarettes ["Series A - 1928"], green, coarse roulette, an *inverted* mimeograph, with a pica 3 mm. **CANCELLED**, and a manuscript overprint
